

Rebecca Willett--IEEE Award for Best Paper

Rebecca Willett
Professor
Department of Statistics
The University of Chicago

Eric C. Hall
Senior Data Scientist
General Mills

Prof. Rebecca Willett and co-author Eric C. Hall received the "2018 IEEE SPS Young Author Best Paper Award" from the IEEE Signal Processing Society for their article "Online Convex Optimization in Dynamic Environments" (<https://ieeexplore.ieee.org/document/7044563/>). Congratulations, Becca, on recognition of your ongoing research!
