Per Mykland Chosen as Guggenheim Fellow

Per A. Mykland, Robert Maynard Hutchins Distinguished Service Professor in Statistics and Finance, has been named a recipient of the prestigious John Simon Guggenheim Memorial Foundation Fellowship. Guggenheim Fellows are selected on the basis of past achievement and exceptional promise for future accomplishment. The John Simon Guggenheim Memorial Foundation has offered Fellowships since 1925. Of the 168 recipients for 2019, Per Mykland is one of two selected Applied Mathematics fellows; he is also one of five UC faculty selected for fellowships in all areas. Congratulations, Per!
