Stochastic Models of Social and Economic Networks

MONDAY, May 7, 2012, at 4:00 PM

133 Eckhart Hall, 5734 S. University Avenue

Refreshments following the seminar in Eckhart 110.

ABSTRACT

I will discuss a few examples of analysis of stochastic models of social and economic behaviors on networks.

The models presented are coming from statistics, computer science, marketing, learning and network games.
